## ON REHABILITATION SERVICES FOR ODWS

The main objective is to facilitate the integration of ODWs into the economic mainstream as productive and self-reliant members of society.

**Physical Restoration of ODWs.** This is an assistance program to facilitate ECC-funded rehabilitation services for persons with work-related disabilities like provision of free physical therapy and rehabilitation appliances through partner hospitals and providers.

**ECC-Quick Response to ODWs.** This program aims to provide immediate assistance to workers or their families within a week in the event of major work accidents or outbreak of occupational diseases at the workplace. The ECC intervention includes psycho-social counseling services, medical help and assistance in the filing of the necessary claims with the System.

**KAGABAY Project.** "Katulong at Gabay sa Manggagawang May Kapansanan" or KaGaBay is an assistance program for occupationally-disabled workers (ODWs) aimed at facilitating their re-integration into the economic mainstream either through skills training and placement assistance or through entrepreneurial training and assistance in the setting-up a micro-enterprise or home-based business.
