WHEREAS, paragraph (a) and (c) of Art. 205 of P.D. No. 626, as amended, provides:

"ART. 205. Record of death or disability. (a) All employers shall keep a logbook to record chronologically the sickness, injury or death of their employees, setting forth therein their names, dates, and places of the contingency, nature of the emergency and absences. Entries in the logbook shall be made within five days from notice or knowledge of the occurrence of the contingency.

WHEREAS, there is a misconception that in the event that a sickness, injury, or death has been declared as work-connected and the employer failed to record the same in a logbook, fifty per cent (50%) of the EC benefits shall be provided by the erring employer and only 50% shall be granted by the System;

WHEREAS, this Commission finds the need to clarify the same to prevent any confusion in the interpretation of the law and so as not to further delay meritorious claims to the prejudice of the workers, and/or their beneficiaries, with work-connected sickness, injury, or death;

WHEREAS, Article 177 (c) of P.D. No. 626, as amended, empowers this Commission to approve rules and regulations governing the processing of EC claims;

NOW THEREFORE, ON MOTION DULY MADE AND SECONDED

This Commission **RESOLVES AT IS HEREBY RESOLVED** to require both Systems to grant workers, and/or their beneficiaries, with work-connected sickness, injury, or death of whatever EC benefits to which they are entitled despite the absence of recording of the said incident in a logbook;

In the event that a claim for disability or death has been declared as work-connected, the amount of claim shall be provided in full by the Systems which shall impose the penalty to the employer as provided under paragraph (c) of Art. 205 of P.D. No. 626, as amended.

RESOLVED FINALLY, that this Resolution shall take effect 15 days after its publication in a newspaper of general circulation and copy of the same be furnished to the Systems for guidance and compliance.
