# *Technical Specifications*

1. The project is for the Procurement of Two (2) units Motor Vehicles.
2. The scope of the project is not limited to the supply and delivery of motor vehicles since it involves other incidental services such as training of ECC personnel/ drivers, technical support etc,
3. Bidders must state either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the goods/equipment offered. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidders statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.
